About Pushpa Textile

At Pushpa Textile, we understand that the right attire plays a vital role in shaping your professional image. Our Corporate Wear collection is thoughtfully designed to offer a perfect blend of style, comfort, and functionality. From crisp formal shirts and trousers to complete uniform solutions, we deliver high-quality garments tailored to meet the needs of modern workplaces.

Crafted using premium fabrics and precision tailoring, our formal wear ensures a polished appearance and long-lasting comfort—ideal for daily wear across industries. Whether it's for office staff, frontline employees, or corporate events, our range can be customized with company logos, colors, and design elements to reflect your brand identity.

Dress your team for success—with Parallel's Corporate Wear.

Our Team

Meet the team that makes magic happen

SURESHCHANDRA RATHI

As the Founder of Pushpa Textile, his hard- work and dedication towards quality is unmatched. Always ahead of his times, his vision has transformed the traditional power handlooms factory and expanded them into the present modern stitching unit.

PRASHANT RATTHI

The man behind creating the Brand Pushpa Textile & now Parallel, has extended the Garment division of the firm. An MBA from Sydney & a Symbiosis Graduate, he aims to propel parallel as a market leader. Quality and Speed are his mantra.

SAPNA RATHI

With Innovative ideas & excellent skills she executes ground operations & creates sustainable processes in-house. An MBA graduate with experience of working with ISO processes of IT companies, makes her a great taskmaster.

PANKAJ RATHI

A graduate from VJTI Mumbai as Gold Medalist in Textile Engineering. After receiving a Masters in Textiles & Supply Chain from Cornell University, NY he is Currently based in Houston, Texas & manages our overseas operations.
